Age 12

Has a Warm Spirit

Tatjiana is a very sweet and intelligent young lady who enjoys playing video games. She enjoys going to school and likes all subjects. Tatjiana has a warm spirit and is kind to everyone she meets. She also wants to help those in need.

She has a pretty smile that is welcoming to others who don't know her. Tatjiana's teachers have described her as a nice, kind young girl. Tatjiana does not know yet what she wants to do when she grows up. She does know she wants to have the opportunity to be successful in life.

Tatjiana wants a family to call her own. It is important for the family to understand the impact of trauma and loss. She wants a family that she can be adventurous with and make memories. A family that will love and cherish her unconditionally is her ultimate forever family.
