

# Helpful Information for Hosting a Lemonade Stand Fundraiser

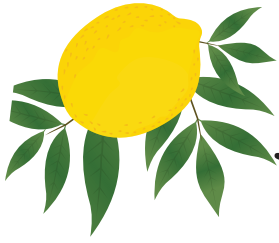

*(Keep this handy in case you need to refer to it)*

- Every **\$1 you raise** will go to meet the needs of **children in care** with the Children's Home Society of NC.
- Right now there are approximately **12,000 children** in foster care in North Carolina.
- **Why are children in foster care?** Children enter foster care because of circumstances that made their home an unsafe place for them. It's not because of anything the children did wrong. Sometimes parents aren't able to meet the needs of their children even though they love them very much. When this happens, children live with a foster family until a judge decides it's safe for them to return home or find them a family who can care for them forever.
- **What is a foster family?** A foster family is a family that provides a safe, stable and loving home for children who enter foster care. They make sure the children's needs are met and help their families with the goal of returning home.
- The **mission** of the Children's Home Society of North Carolina is to promote the right of every child to a permanent, safe, and loving home.

# Tips for Planning & Hosting Your Lemonade Stand Fundraiser

*(Keep this handy in case you need to refer to it)*

- Set your **date/time** for your lemonade stand and share it with your friends and neighbors:
  - Create and post flyers in your neighborhood to advertise (CHS-provided template included)
  - Share what you are doing on social media
  - Text your friends a day in advance as a reminder
- **Make sure you're prepared!** Buy your lemonade supplies: lemonade mix, ice, cups, napkins, and anything else you need.
- **Donations/Payment:** Decide what you will charge per cup. We suggest \$1-2. In addition to buying a cup of lemonade, people may wish to donate. Thank them for their support.
- **Optional:** You may wish to make and sell baked goods at your lemonade stand, too.
