ONLINE GROUP INTERACTION

"A holistic, interactive approach to social & emotional learning."

- 
Character Education

Incorporates **bullying prevention** and encourages young men in the importance of maintaining **respect, responsibility, and integrity** in all their relationships, at work, and in life.

- 
Positive Youth Development

Helps young men develop healthier **self esteem**, independent **living skills**, practical **goal setting**, and tools for effective **decision-making**.

- 
Healthful Living

Educates young men in **teen pregnancy prevention, sexual health education**, and equips with strategies to **reduce risky behavior**.

Wise Guys, a program of Children's Home Society of NC, is a proven and holistic male-oriented program that engages young men in an interactive, participatory process that examines their values and goals for the future, and provides them with the basis to make healthy choices in their relationships. It helps male adolescents realize that real strength comes from being respectful and responsible in all their relationships and that their friends, family, and community need and benefit from their unique, individual expressions.

**Parental permission required for participants under 18*

a program of
Children's Home Society
