

Andarius

Age: 14

*Creative
&
Intelligent*

Andarius likes to be referred to as “Andi”. He is shy when you first meet him but once you get to know him, he will keep you laughing. His friends would describe him as a good friend and funny.

Andarius is very intelligent and is in Accelerated Math. He wants to be an engineer and attend a historically black college or university. He is very athletic.

Andarius would do best in a two-parent or single-parent home with structure and guidance. He would do well with other children in the home either younger or older.

Maintaining some of his family connections would be important to him, as some of his family members currently play a role in his life. Andarius is a sweet young man with a ton of potential and desires a family to call his own.
