

Asya

Age 17

Intelligent &
Engaging

Asya is a very intelligent and well-read young woman. Asya graduated from high school early and is on her way to college. Asya is going to be a writer, and nothing is going to stand in her way! Asya has always loved to read and write about fiction, that is her passion. She says that one day she is going to be a great author. Asya also likes anime, dancing, music and would love to try some acting someday. Asya is just an overall artistic and creative young woman who still believes that there is a family out there for her.

Asya would love a family that would love and support her as she navigates college and life. Even though Asya is out of high school she is not an adult yet and still wants a family of her own.
