

# Autumn

Age 12

"I love  
collecting  
Pokémon  
Cards!"

Autumn is a funny, friendly, caring girl who loves animals. She can be talkative sometimes and sometimes shy. She enjoys arts and crafts, coloring, puzzles, collecting Pokémon cards, and reading. She likes to go outside, collect rocks, climb trees, swing, and ride her bike. She enjoys going places like the mall, park, grocery store, Walmart, library, Rockin' Jump (trampoline park), Sweet Frogs (yogurt place), and out to eat. She wants to be a gymnast or a mechanic when she grows up.

Autumn's family will be kind, funny, active, loving, and have a sense of humor. Her family will respect her, listen to her and her feelings, never judge, and feel safe. They will have pets, a yard to play in, like to go places, and give hugs.
