

Brianna 14 Wesley 11

Brother and
Sister
Forever!

Brianna is a sensitive, caring, inquisitive, smart, and personable 14-year-old. She likes to try extracurricular activities that are of interest to her such as cooking, running and dirt bike riding. She does great with younger children. Brianna many times will struggle in her schoolwork and would benefit from someone encouraging her and going over her work with her. Also, if needed, going to the school to seek services, and tutoring for her.

Wesley is an active, friendly, adventurous, social 11-year-old. He likes to play football and baseball. He loves being outdoors. He too loves riding dirt bikes and both he and his sister are on a dirt bike team.

They will need parents to set boundaries with birth family members and help them navigate what appropriate communication and contact should look like. The children often travel with their current foster parent and really enjoy visiting and learning about new places. They have asked for a family that will love them and celebrate holidays and likes to go on vacation.
