

David is a quiet young man until he gets to know you. Then he is as talkative as they come! David does pretty well in school and has even taken a class in Zoology that has had him learning hands on at the NC Zoo. David is also a gamer and likes to play Fortnite on his Xbox, he is pretty good at it too. David has played soccer and has done very well for himself. His team looks to him to score the goals. David is a picky eater, but his favorite food spots are Zaxby's and McDonald's.

David would like a family that will be patient with him and understand that it takes time for him to let people into his life, but it is well worth the wait.
