Isabella enjoys arts and crafts and electronics. She loves pizza (Little Caesars and Dominos), McDonald's, and snack foods. She likes shopping, going to the pool, and getting allowance. She loves animals and babies. She enjoys conversation and thrives with positive attention from adults. Isabella loves doing hair and nails. She likes taking pictures with her Polaroid camera. She wants to go to NC State and work with animals and hopefully be a veterinarian.

Isabella's family will have pets and she will have her own room. Isabella will be most successful in a home where she will receive positive attention and structure. Her family will support and advocate for her in medical and educational settings. She is looking for a family to provide a safe, stable, and loving environment.
