

Jaydon is an energetic, curious young man who likes to learn new things. He has a laid-back demeanor and reports that he does not like being the center of attention. Jaydon is very artistic and shares that he mostly draws for fun and relaxation. Jaydon says that he likes watching action movies, Marvel movies, and YouTube videos. He likes playing most sports and is currently on the school soccer team. Jaydon gets along well with others and shares that he likes having male peers his age around to talk to and play video games with. Like most boys his age, Jaydon enjoys being outside, playing sports, swimming, and exploring. Jaydon shares he is not a picky eater, and his favorite foods are pizza, chicken tenders, hotdogs, and french-fries.

Jaydon participates well in school and is working to increase his reading and comprehension skills. He shares that his favorite subjects are Math and Science. Jaydon reports that he enjoys going to school to learn and be with his friends.

Jaydon is caring, active, and excited to find a family who will support his hopes, goals, and dreams for the future. He says that he desires a two-parent family or a single male family that is active, takes family vacations and will allow him to participate in school sports and clubs. Jaydon has a bond with his two younger siblings and wants to be able to maintain contact with them through phone calls and visits. Jaydon's team supports his wishes.
