

Josalynn is a bubbly, high spirited, young lady who likes unicorns, playing on her iPad, and eating chicken. Josalynn loves to color and act silly. She stated that if she could have an animal, it would be a dog because they are adorable. Her favorite restaurant is McDonald's and their chicken sandwiches.

Josalynn has experienced disappointments in her life, but she has not given up on her forever family. She loves attention and affection from her caregivers. Josalynn needs a two parent or single mom family that is nurturing, patient, and firm. Josalynn will do best with experienced parents and as the youngest or only child. Although she needs consistency, supervision, and clear guidelines, she responds well to praise and one-on-one attention.
