

Kailynn is a spunky and sweet girl. She enjoys going to church, loves to dance (this girl can pop & lock) and loves to listen to all sorts of music. She enjoys pop, classics, country, and rap. She is also a big animal lover – she loves dogs, horses, and any other cuddly animals. She loves to journal and draw as well.

She is a fashionista and enjoys a good manicure. She enjoys having her hair braided. She is also a big “foodie”. One of her favorite places to eat is Golden Corral.

Kailynn is a strong leader and a social butterfly. She likes being outside and spending time with her friends. She loves school and is excited to be there and meet new people. She loves encouragement from other people and wants to give others what they like. She treats others with kindness and respect. She can express her needs and is a good communicator.

She desires a family that will support her in the things she likes, like dance, and will love her for who she is. She wants a family that will be around and will take her to fun places and do things together.

For more information on **Kailynn**, please contact:  
**Taylor Lewandowski**, Child-Focused Recruiter,
