

Kalen

Age 14

Oh so
Sweet!

Kalen is an adorable 14-year-old boy who can win your heart the moment you meet him. Kalen likes to play with trains, play baseball and ride his bike. Kalen loves to shop and will take new clothes over a toy any day!

It takes Kalen some time to trust people, but he loves being part of a family.

Kalen is non-verbal, but he is working hard on his language skills every day. He likes to show love by helping to do things or by giving hugs. Kalen has Autism so this young man needs a family willing to give him the love, structure, compassion, and consistency that he deserves.
