with a
beautiful
smile!

Kyra is a sweet, talkative and engaging young lady. She has a beautiful smile and a warm heart. She always wants to be around people and gives everyone hugs. She is very sociable and loves to be around the ones she loves. Kyra enjoys shopping, eating out, and getting her hair and nails done. She is a “girly girl” and enjoys being in others’ company. Kyra desires to live a normal teenage life and to be in a family setting.

Kyra would do the best in a single female home and being the only child in the home, if not then the youngest child in the home. Kyra requires a lot of attention and structure. She needs a good role model and a family that would be patient and provide her with consistency. They would love her unconditionally. Kyra will need continued support in school and in therapy.

Kyra has a lot of love to give to a family. She is a joy to be around and can always bring a smile to your face. She needs a family that will create a safe and loving environment and be a family that enjoys building memories together.
