"I would love to have a family, but I am not sure that will happen for me at my age"
-Leland

He is currently on his high school football team! He also enjoys playing baseball, soccer, and basketball! Leland likes hanging out with his friends. He said it takes time for him to open up to others but once he does, he is a loyal friend with a great sense of humor! His goal is to graduate high school and attend college for Veterinary Science. He also has an interest in psychology. He is most proud of how far he has , and he would love to have a family to call his own!
