Lover

Michael goes by the nickname, "Tripp". Tripp is an animal enthusiast and really enjoys being around any kind of animal. His ultimate favorite is dogs, maybe a beagle or a husky. Tripp really wants a dog of his very own. He is an outdoor kid; he loves fishing and has all kinds of fishing gear. Tripp also likes playing baseball and going swimming. Tripp is a smart kid and usually does well in school. When you talk with Tripp you realize that he is a great advocate for himself.

Tripp says that he would like a family that lives in a rural area or a farm if possible but that did not have to be a "definite". Tripp needs a family that is going to provide the love and nurturing that he craves but also the structure and consistency that he needs to be successful.
