*"Nathan is helpful & kind. He has so much love to give and he just needs a family to give his love to."  
Nathan's Teacher*

Nathan is a funny and friendly 15-year-old who wants a forever family more than anything! Nathan spends his free time drawing, watching movies, and putting together his Lego sets. A few of Nathan's favorite things are fishing, camping, Marvel superheroes, playing mini golf, and watching YouTube. He is learning to cook and enjoys helping his foster mother with meal prep. He was also voted his Class President at school!

Nathan is participating in therapy to address past trauma and loss. Nathan needs a loving and patient family who will advocate for his needs and can give Nathan the attention and unconditional love he deserves!
