

Nyzirah is a 16-year-old girl. She describes herself as a nice, honest and a great friend. Nyzirah believes that you should always speak up for yourself no matter what. She is the true definition of being an advocate and being around her will inspire you. Nyzirah enjoys fashion and would like to pursue a career in fashion and design. She is very talented and shows it through making clothing and accessories. When supported, Nyzirah can achieve much. She enjoys being around her friends, sisters, shopping, doing makeup, making TikToks, and working on improving herself. Nyzirah is goal oriented and is very responsible. She is learning about herself, as an individual, and as a part of the world around her. She recognizes her voice and impact on others and strives to be a good example for everyone. Nyzirah may seem shy, but once you get to know her, you'll discover someone full of personality.

Nyzirah needs a family that is supportive, encouraging and openly communicates. This family will honor her desire to stay connected to her siblings and will advocate on her behalf. It is important that they are attentive, able to provide guidance, and nurture a loving home. As a growing teen, Nyzirah needs a family that will be committed to walking this journey with her while understanding ups and downs will come but sticking together will make them stronger.
