Tianza likes to be active. She enjoys dancing, singing – she has been involved in the youth choir at church – and being involved in sports, most recently as the basketball team's manager, though she also wants to run track. She has expressed wanting to join the Army as an adult as a way of being helpful to others. She is a very sociable young lady and very much enjoys dressing up.

She would do well with a family that not only provides clear structure and expectations, but who also could help advocate for her academically, and provide healthy and fun activities to channel her energy.
