"I want to be a
Fire Fighter
when I
grow up."

"Hi, I'm Tristan. I love to laugh and consider myself to be a funny guy. I am a kind person who likes to help others and I make friends easily. My friends would describe me as being nice, funny, and smart.

I love basketball and football and my favorite basketball team is the Warriors. I love watching television and movies in my spare time. My favorite television show is Family Guy and my favorite character on the show is Stewie. I like listening to country and rap music.

Some of my favorite things are cement trucks, transfer trucks, and fire trucks. When I grow up, I want to be a Fire Fighter.

My ideal forever family will be kind and loving. They will be strong advocates for me and ensure all my needs are met and that I reach my goals. My forever family will also be attentive, enjoy engaging in outdoor activities, and make sure I always feel safe."
