Tyleak is a young man who likes to be on the move. He enjoys sports like football and basketball and skateboarding. He is crazy about video games and likes to watch movies. His favorite foods are pizza and Chinese food – especially egg rolls. He can be very engaging and has a unique sense of style.

What he needs is a family with a strong male role model who can provide consistency and structure, and who can help him navigate his academic challenges and continue to heal from a history of past hurts and disappointments.
